Woven Cables
...a pattern by *Knitty Gritty Thoughts*

DIFFICULTY LEVEL - Beginner/Intermediate
This is a great project for a beginner wanting to learn cables or a fast knit for an intermediate knitter. With only two patterned rows in a 12 row repeat it goes quicker than you think (and looks a lot more complicated!)

MATERIALS
Cashmere Luxury Aran (7 skeins) or substitute approximately 700 yds of another worsted weight yarn. Some good choices? Debbie Bliss Cashmerino Aran, Cascade 220, KnitPicks Wool of the Andes or any other worsted weight yarn will do.
US 7 and US 5 needles or appropriate size for gauge.
Cable needle
A row counter is very helpful for this project
